Independent Auditor's Report To the Shareholders of Islami Commercial Insurance Company Limited

Report on the Audit of the Financial Statements Opinion

We have audited the financial statements of **Islami Commercial Insurance Company Limited** ("the Company"), which comprise the Statement of Financial Position as at 31 December 2020, the Statement of Profit or Loss and other Comprehensive Income, Profit and Loss Appropriation Account, related Revenue Account, Statement of Changes In Equity and the Statement of Cash Flows for the year ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of company as at 31 December 2020 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS), in the Companies Act 1994, the Insurance Act 2010, the Insurance Rules 1958 and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

In our opinion, we have considered the adequacy of disclosure in the Financial Statement in the light of such we would like to draw attention of the user of these Financial Statement on the below matter-

- 1) Management Expenses exceeds by Tk.79,97,303 which is higher than the limit allowable as prescribed in SRO no. 280-Law/2018 dated 26 September, 2018 of gross premium during the year.
- 2) The company has not adopted IFRS-16 Leases as on 31 December, 2020. The company has several branches on rent whose rental deed is to be renewed in next financial year. The company shall adopt the IFRS-16 in the upcoming financial year and prepare the financial statements adopting the provisions as stated in IFRS-16 and thus comply accordingly.

Our opinion is not modified in this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, the Companies Act 1994, the Insurance Act 2010, the Insurance Rules 1958 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these (consolidated) financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

24.00 Events after The Reporting Period:

The Board of Directors recommended 7% cash dividend for the year ended December 31st, 2020 in its 137th Meeting held on 22-06-2021 subject to Shareholders' approval at the forthcoming annual general meeting.

25.00 Credit risks

Credit risk is the risk of financial loss to the Company if a customer or counterparty to financial instruments fails to meet its contractual obligations, and arises principally from cash and cash equivalents, time deposits, and trade accounts receivable.

The credit risk with Amount Due from other person or bodies carrying on insurance business (see note-12) is limited, as the Company has numerous clients located in various geographical regions. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. For risk control, the customers are companied as follows (risk company's): governmental organizations, listed public limited companies, and other customers. Credit limits are established for each customer, whereby the credit limit represents the maximum open amount without requiring payments in advance or letters of credit; these limits are reviewed regularly (credit check).

The maximum exposure to credit risk is represented by the carrying amount of each financial asset, including derivative financial instruments, in the balance sheet. There are no commitments that could increase this exposure to more than the carrying amounts.

26.00 Market risks

Market risk is the risk that changes in market prices, such as interest rates and other prices will affect the Company's result or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return on risk.

27.00 Interest rate risk

At the reporting date, the Company had the following interest-bearing financial instruments: cash and cash equivalents, time deposits, rent deposits, and bank liabilities. All cash and cash equivalents mature or reprise in the short-term, no longer than three months.

Borrowings mainly bear interest at fixed rates. Cash and cash equivalents and borrowings issued at variable rates expose the Company to cash flow interest rate risk.

The Company does not account for any fixed-rate borrowings at fair value through profit or loss. Therefore a change in interest rates at the reporting date would not affect profit or loss.

The Company Treasury manages the interest rate risk to reduce the volatility of the financial result as a consequence of interest rate movements. For the decision whether new borrowings shall be arranged at a variable or fixed interest rate, the Company Treasury focuses on an internal long-term benchmark interest rate and considers the amount of cash and cash equivalents held at a variable interest rate. Currently, the interest rate exposure is not hedged.

At December 31, 2020, if interest rates had been 50 basis points higher/lower with all other variables held constant, post-tax profit for the year would have been CHF 0.5 million (2019: CHF 0.6 million) higher/lower, mainly as a result of cash positions held at variable rates.

28.00 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Company Treasury manages the Company's liquidity to ensure sufficient liquidity to meet all liabilities when due, under both normal and stressed conditions, without facing unacceptable losses or risking damage to the Company's reputation.
